Date Mailed: 05/01/2003

RESPONSE TO REQUEST FOR CORRECTED FILING RECEIPT

Provisional Applications

In response to your request for a corrected Filing Receipt, the Office is unable to comply with the request because:

- ☐ Amendments are not accepted in provisional applications. See 37 CFR 1.53(c).
- ☐ Claims will not be shown on the filing receipt for provisional applications since provisional applications do not require claims.
- ☐ The inventor's residence will only include the city and state for U.S. residences or city and country for residences outside the U.S. (See MPEP 605.02).
- ☒ **A petition to correct the inventorship is needed to make this change. See 37 CFR 1.48. For a provisional application, the petition should be directed to the Director of OIPE. There is a \$50 fee associated with this petition.**
- ☐ The number of drawings shown on the filing receipt reflects the number of drawing sheets submitted and is not necessarily equal to the number of figures submitted.
- ☐ The correspondence address was captured as directed by applicant on filing. If you wish correspondence to be directed otherwise, please submit a request for a change of address.
- ☐ Domestic and foreign priority claims will not be captured in a provisional application. A provisional application is not entitled to a right of priority or to the benefit of an earlier filing date of any other application. See 37 CFR 1.53(c)(4).
